Blueprint 1 - Multi Topic Documentary (Updated v2)

Universal Rules

Locked Workflow Update
• Source script: ~2200 words.
• Voiceover target: 1700–1750 words (only remove repetition, never important information).
• 90 scenes.
• 18–24 words per scene (target average 19–20).
• 1–2 pauses using **....**.
• Speechma: Andrew | Pitch -10 | Speed -5.
• Target duration: 13–14 minutes.
• Retention loop every 5–7 scenes.

Phase Layout

1–8 Hook
9–24 Topic 1
25–40 Topic 2
41–56 Topic 3
57–70 Topic 4
71–82 Topic 5
83–90 Ending + CTA

Retention Integration

Within every topic, insert at least two retention beats (Curiosity, Twist, Contradiction, Cliffhanger or Open Question). Never leave more than 7 scenes without one.

Bridge Rule

End every topic with a mini conclusion and a bridge that naturally opens the next topic.
