MASTER PROMPT (Copy–Paste):

MASTER PROMPT GENERATOR

Copy this entire prompt, paste it into ChatGPT, Claude, or Gemini, fill in the placeholders in the brackets, and it will generate high quality prompts for any AI image or video tool.

PROMPT 1 — CUSTOM INSTRUCTION GENERATOR

Help me create a custom instruction for my AI writing project.

- **My niche is: [Insert Niche]**
- I create: [Short form / Long form / Documentary / Educational / Commentary / etc.]
- The language of my content is: [Hindi / English / Hinglish / Spanish/etc.]
- My target audience is: [Describe your audienceCountry/Age etc]
- I want my content style to feel: [Simple / Cinematic / Funny / Emotional / High-energy / Documentary / etc.]
- Here are some creators whose style I like:

  [Insert creator names]
- I want viewers to feel or gain:

  [Insert transformation or outcome]
- I also use these types of hooks, storytelling styles, or phrases:

  [Optional]
- Now create a complete custom instruction for Claude/Chat Gpt/Gemini etc. Projects that helps the AI understand:

- who I am [detail about yourself]
- what type of content I make
- how my audience thinks [interest of auidence]
- how the scripts should feel and flow

Keep the instruction practical, retention-focused, and optimized for YouTube scripting.

PROMPT 2 — SCRIPT FORMATTING PROMPT

I am giving you transcripts from competitor /creators in my niche. Your job is to structure these scripts properly so AI can learn the writing patterns and retention techniques used in

them.

For each script, clearly separate:

- Hook
- Build-up
- Main content
- Rehooks/Open loops
- Engagement Tactics/Emotional Variety
- CTA/ Outro

Also analyze the pacing, tone, curiosity patterns, emotional triggers, and retention

techniques being used throughout the script.

Do not summarize the content. Preserve the original writing style and structure

everything cleanly so it can later be uploaded into Claude/Chat Gpt/Gemini etc Projects as reference material.

PROMPT 3 — IDEA GENERATION PROMPT

Using the uploaded creator references, thumbnails, titles, and audience understanding,

help me come up with strong video ideas for my niche.

My niche is: [Insert Niche]

The type of content I want to create is:

[Documentary / Educational / Commentary / Tech / Religious / etc.]

The audience I want to target is:

[Insert audience type]

Generate [10/25/50] video ideas that:

- fit my target audience
- create curiosity
- have strong viral potential
- are emotionally or intellectually interesting
- feel similar to the uploaded creator references without copying them

PROMPT 4 — OUTLINE GENERATION PROMPT

Using all the uploaded context, research material, creator references, and custom instructions, create a detailed outline for this topic:

Topic: [Insert Topic]

The outline should:

- follow a logical flow
- be optimized for viewer retention
- include strong hooks and rehooks naturally
- explain concepts progressively
- include examples where needed
- balance entertainment and information

Do not write the full script yet.

If the topic requires additional context or updated information, tell me what research or information is missing before generating the outline.

PROMPT 5 — SCRIPT WRITING PROMPT

Using the approved outline, uploaded context, creator references, and custom instructions, write a high-retention YouTube script on this topic:

Topic: [Insert Topic]

I want you to write this script in the tone and style of this creator reference:

[Insert Creator Name / Uploaded Document/competitor name]

Important:

- Follow the writing style and pacing from the uploaded references
- Keep the script natural and conversational
- Use strong transitions, curiosity, and rehooks where needed
- Structure the script for spoken delivery

Write the script section-by-section with smooth flow and strong retention.
